Shady Grove Elementary PTA
General Membership Meeting
February 21, 2013

Our Cardinals were very generous and dropped of three plastic bins full of books to be donated to the CMOR Book Bank. Thank you to Cub Scout troop #763 for helping collect the books. Michael Douglas performed a hilarious magic show that had both children and adults laughing. A few announcements were made by Sue Manley, PTA President, and many fun door prizes were awarded to students who attended.

The following PTA business was discussed:

*Thank you for supporting the Rock-A-Thon. This year we raised over \$6,000, more than any year before to go to the Thomas Fernald Scholarship. If you know any seniors going to college this upcoming fall who were Shady Grove Cardinals, please encourage them to apply for the scholarship.

*Volunteer of the year nominations are due March 7th. We have many hard working volunteers in our PTA and we like to recognize their efforts.

*Nominating committee will be sending out an e-mail blast soon with a nomination form for PTA board 2013-2014.

*Plans for our Silent Auction to raise money for a Book Room are underway. It will take place during the End-Of-Year picnic May 16th. Activities and prizes were announced. Everyone was thanked for their support of this effort through the classroom baskets. Another way to support the auction is to "like" the auction page on facebook and you will receive updates on the items in the auction.
