Shady Grove Elementary PTA
General Membership Meeting
January 24, 2013

The Second Annual Shady Grove Rock-A-Thon was held as our January General Membership PTA meeting. The purpose of the Rock-A-Thon was to raise funds for the Thomas B. Fernald Scholarships. Participating students were asked to collect pledges to be donated to the scholarship fund. Socks were also available for sale. Proceeds from the sock sales will go towards flooring for the Gaga Pit. The event was a huge success with over 300 students participating.

We would like to thank all of the wonderful parents and faculty who volunteered their time and efforts to help ensure a fun and safe night for our children. We would also like to thank our wonderful sponsors, Drs. Norman, Obeck and Foy Dentistry, West End Orthodontics, Dr. Scott Vantre at Virginia Foot and Ankle Specialists, Jumpology, Kid Med and Commonwealth Primary Care.

Respectfully submitted,
Stacey McKenna, Secretary
