

MINUTES
Shady Grove Elementary PTA
General Membership Meeting
May 17, 2012

The May General Membership Meeting was held in conjunction with Shady Grove's 20th Birthday Celebration and year-end picnic. Families were invited to bring a picnic dinner and join us on the lawn in front of the school. Birthday cake was provided to each student.

Following the picnic, families were invited to join us in the multi-purpose room for a concert by Soundsations and Syncopations. Additionally, staff members who have served Shady Grove for the past 20 years were recognized and thanked. The PTA also presented the school with a birthday gift – a Ga-Ga Pit for the playground, which will be installed over the summer.

Respectfully submitted,
Stacey McKenna, Secretary
